# POWRLINER ACCESSORIES

## LINESITE™ 0290038A

- Includes two lasers, mounting kit, and rechargeable battery pack
- Great for start/stops, curb striping, executing razor sharp lines, and training new employees
- High intensity lasers (green) visible in daylight
- Compatible with most line striper
- Beam diameter: 3 x 5mm
- Sprayer not included

## WINDGUARD™ SPRAY SHIELD 0290623

- Protects spray pattern from wind, which limits overspray & material costs
- Adjustable spray shields allow easy “on the fly” line width changes.
- Adjustable spray widths – 4”, 6” or 8”
- Shields can be removed with ease
- Works excellent when applying diluted athletic field marking paints
- Attaches to any Titan linestriper and most competitive models
- Spring loaded shields promote forgiveness on uneven surfaces
- Float over rough terrain/grass
- Lightweight – only 5.5 LBS
- Sprayer not included

## HANDIBEAD™ - BEAD DISPENSER 0290953A

- Used to spread reflective beads or other materials onto painted surfaces such as cross walks or stop bars
- The value of this product is that striper no longer have to hand toss glass beads into stop bars or crosswalks. They can apply it with an applicator that ensures consistency and accuracy.
- Adjustable diffuser can disperse material up to 15” wide.
  - Can be removed for narrow line distribution
- 3 nozzles included (small, medium, large)
