

TEMPLINE™

Playmaker Grass Paint

We Understand the Balance Between Performance and Economy.

TempLine Playmaker is built to achieve the balance between attractive and durable field marking and cost. Playmaker will give you more yards per gallon, at a low price, without causing unnecessary wear and tear on spray equipment.

The Playmaker Advantage

TempLine Playmaker offers you a range of performance, depending on the event. It can be used undiluted for exceptional coverage and whiteness, or diluted 1 to 1 with water for more economical line work.

- Delivers crisp, durable lines
- Easy to prepare and apply
- Soil friendly and harmless to all species of grass
- Water based formula with low VOC's
- Easy clean up

TempLine™ Playmaker Delivers Performance and Value

TempLine™ offers convenience, dependable performance and economy at a much lower environmental cost.

- More painted yards per gallon at a low price.
- Easy spray or wheel to wheel application with no costly equipment wear.
- Ecologically friendly - no risk of grass damage
- Quick, easy, low cost clean-up.
