

# TruMark E-100 Athletic Field Marker

WHEN YOU NEED A NO-NONSENSE STRIPER TO GET YOUR FIELD READY FOR GAME DAY, YOU WANT THE TRUMARK E-100.

This battery powered, walk-behind field marking machine is durable and designed to last as well as safe for use by volunteers. With three rugged wheels, a 5-gallon tank and adjustable width floating paint shields, the E-100 is perfect for painting football, soccer, rugby, lacrosse, baseball fields and more. Up your game; get the E-100 today!

## E-100

- 2 hours of operation per battery charge
- Adjustable width paint shields and two spraying tips make it easy to get any field or surface ready for play
- Made of corrosion-resistant powder coated steel, stainless steel and brass parts
- Floating paint shoe assembly ensures line width and minimizes drift
- Paints bright, crisp, straight lines on any terrain
- Handle bars fold down for easy set up and storage
- Includes quick disconnect 12-foot hose and spray wand, 5 gallon tank, screened funnel and tool kit
- Safe and easy for volunteers to use and maintain!
